Please use the **delivery label** on page 2 with the hotel's address provided by ICEF. Please place copies of it on the top and on the side of each package you send to ensure correct delivery. Clearly print in bold letters on your package(s) your organisation's / company's name, your table number, if available, and the total number of pieces comprising your delivery.

Enclose a **proforma invoice** (€ 0) marked "Information material for exhibition" to avoid unnecessary customs charges and delays in delivery. **Please make sure that your forwarding agent or courier service will clear your materials through customs, as neither the hotel nor ICEF are entitled to handle customs arrangements on your behalf. Shipments requiring any additional fees upon receipt will be denied.**

It is advisable not to send any liquids, textiles (T-shirts, caps, etc.) or USBs as these will be subject to customs clearance and may result in delays and / or additional charges. If you wish to send any of these items, you should stress their non-commercial character and that they are not for sale or resale but for promotional use only. If sending USBs it is also required to provide a short description of their content. For all textiles you send, it is important to provide detailed information about the type of material (e.g. 80% cotton, 20% wool). All of these items need to receive a small nominal value (i.e. EUR 1,00 per T-Shirt, EUR 0,20 per USB). Please indicate on the shipping documents that all fees and taxes will be paid by the sender and that the content of the boxes is of no commercial value. **As requirements may differ according to your shipment's country of origin please check regulations carefully with your chosen courier.**

Please ensure to have access to your tracking information when travelling to the event. This will enable us to help you locate your packages, should they for any reason not arrive at the hotel on time.
