Every year, 32000 students choose to study in Cairns for a qualification at any of our internationally-ranked schools, colleges or universities; or alternatively, for a short-term edutourism or study tour program. Cairns offers a broad range of experiential learning programs within a thriving multi-cultural environment. It is the ideal location for study as it boasts the liveability of a major city complemented by a lower cost of living, diverse accommodation offerings and a wide variety of dining and entertainment options – with cultural and educational reef, rainforest and outback adventures on our doorstep.

Study Cairns is the peak body for international education and training in Cairns and represents organisations, institutions and business in Cairns that are dedicated to providing help and support to students when they are studying in the Cairns region.

Study Cairns is seeking Expressions of Interest in a post-ANZA Agents Famil from Sunday 7 to Wednesday 10 April.

YOUR ITINERARY WILL INCLUDE:
- Visits to Cairns’ leading education providers and institutions
- Networking and B2B opportunities with Study Cairns members
- Edutourism experiences showcasing the Great Barrier Reef and World Heritage Rainforest
- 3 nights accommodation
- Meals/functions & transfers per final itinerary

Flights to/from Cairns are not included. There are direct departures daily with Jetstar.com from Darwin; and scheduled services ex CNS domestically and abroad with most major airlines.
