EVENT REPORT

ICEF Vancouver 2023 - our largest in-person Canada event ever!

There was a great deal of excitement leading up to ICEF Vancouver, with many in our community looking forward to catching up with friends and colleagues in person. The event certainly did not disappoint.

This was my first ICEF Vancouver event and it was beyond my expectations (which were huge). It is a pleasure meeting with partners with whom you have worked for years, growing knowledge about the industry and finding new contacts. I've definitely reached some professional and personal goals. After such we all end up tired, but we LOVE what we do. Thank you for all your support!
