

Tamwood Toronto

2022 Agent Fam Tour

Join us on Friday, May 13, 2022, to get to know Tamwood and all of its programs for adults and juniors. On this Fam Tour, we will visit the campus of University of Toronto in Mississauga, where Tamwood operates one of its popular summer camps. While on the UTM campus we will host an information session where we will present all the Tamwood programs and you will learn about our successful pathways to immigration through work and study, Tamwood's exciting English programs, Tamwood's seven summer and winter camps across North America and GO International's work and travel and volunteer programs.

Tamwood will host a lunch for you on UTM campus so you can have the student experience!

We look forward to hosting you!

Tamwood Careers in Toronto offers:

Paid work and study programs in Digital Marketing, Hospitality and Tourism, International Business, Web Design, UX Design and UI Design. Students completing these programs can transfer their Tamwood credits to pathway partner institutions like Seneca College, and George Brown College ... to get a second diploma and a Post Grad Work Permit. Tamwood also offers English programs in Toronto.
